Chair, Landmarks Preservation Commission

[Date here]

Dear Mr. Tierney,

Your text here: i.e.:

As a _____ (musician, producer, writer, someone involved in the music industry, etc.) involved with _____ (performance, organization, cultural history, etc.) I know how important Tin Pan Alley is to our cultural heritage.

I am writing to urge landmark status for the buildings of Tin Pan Alley. Tin Pan Alley is the origin of one of America's greatest cultural legacies. They deserve to stand as a testament to future generations of what great legacies can originate from one small corner of New York, etc.

Please personalize your text!

Best regards,
